RENO COUNTY TEACHER'S 1884-1966

These records were compiled from the County Superintendent's teachers registers and the annual school district census. The teachers registers were made out at the first of the year when the teacher was hired for the district. The annual census was completed at the end of the year. The teacher hired at the first of the year may not have been the teacher reported on the annual census at year end. There were no teaching documents at all for 1906 to 1909.

Please look for all possible variations of the last name. Records were copied as they appeared and their spelling sometimes changed from year to year.

Reno County had 160 original country school districts. This collection has only the first few years of teachers for District #1 which became the city of Hutchinson. As the population changed, districts dissolved and merged to become rural districts (R) or joint districts (Jt). There was one countywide high school located at Nickerson. That later evolved into several rural high schools (RH).

A map follows this list showing most of the first 160 districts. It is followed by an additional aid that tells what the name was of the numerical district and a general location in the county.

No map is included of the rural, joint or rural high school districts.

Other abbreviations used in the district number are for parochial or special schools.

CentC - Central Christian, Hutchinson
COHI - County High School, Nickerson
Haven - Haven
HolyC - Holy Cross, Hutchinson
Luth - Our Redeemer Lutheran, Hutchinson
Nick - County High School, Nickerson
Seven - Seven Day Adventists, Hutchinson
St.Ter- St. Teresa's, Hutchinson
HAVL - Haven Lutheran, Haven

Records compiled by: Gay Hewitt, Reno County Courthouse 1995

Other school records available at the Courthouse include annual census listing all children age 5 to 21 living in rural county school districts (does not include Hutchinson). These list children regardless of whether they attended school or not. Census on file include 1880, 1884-1890, 1893-1904, 1929-1954.
